# WORKER'S COMPENSATION LAW

**Restriction on issue of permits unless compensation is secured.** The head of a state or municipal department, board, commission or office authorized or required by law to issue any permit for or in connection with any work involving the employment of employees in a hazardous employment defined by this chapter, and notwithstanding any general or special statute requiring or authorizing such permits, shall not issue such permit unless proof duly subscribed and affirmed as true under the penalties of perjury by an insurance carrier is produced in a form satisfactory to the chairman, that compensation for all employees has been secured as provided by this chapter. Nothing herein, however, shall be construed as creating any liability on the part of such state or municipal department, board, commission or office to pay any compensation to any such employee if so employeed.

### Section 220, Subdivision 8 (Effective July 1, 1966)

Section 57 (Effective July 1, 1922)

The head of a state or municipal department, board, commission or office authorized or required by law to issue any permit for or in connection with any work involving the employment of employees in employment as defined by this article, and notwithstanding any general or special statute requiring or authorizing such permits, shall not issue such permit unless proof duly subscribed and affirmed as true under the penalties of perjury by an insurance carrier is produced in a form satisfactory to the chairman, that the payment of disability benefits for all employees has been secured as provided by this article. Nothing herein, however, shall be construed as creating any liability on the part of such state or municipal department, board, commission or office to pay any compensation to any such employee if so employed.
