UNDERSTANDING THE BUDGET-EXPLANATIONS AND HELPFUL HINTS

The Town of Amherst Budget consists of many different and connected parts. The following information has been compiled to help assist with those intricacies.

FORMAT

The Budget is comprised of nine (9) operating funds. All operating funds are self-balancing and acts on its own accord. Each fund is designated towards providing specific services to Town residents. For example the D fund is for highway services such as paving and snow removal.

A summary of the 2023 budget can be found in the front of the Budget.

Within each fund, you will find:

1. A summary page that shows the total expenditures, revenues, appropriated fund balance and amount to raise in taxes.
2. Following the summary page is a report of the detail of the revenues.
3. Following the detail of the revenues is the detail of the expenditures.

The index on the first page of the budget will help you find each fund within the budget.

What do the account numbers mean?

Example: A1310.1000

A	Represents the fund, this is the general fund
1310	Represents the organization “org” (department), this is the Comptroller
1000	Represents the object code, this is for personal services

A revenue object code is five (5) characters in length.

An expenditure object code is four (4) characters in length.

What if I don’t know what fund or org code I need to look up?

In the beginning of the budget there is a listing of the many org (department) codes. This will help you if you do not know the number of the org you need.

The org codes are determined by the NYS Uniform System of Accounts. This standardizes the account numbers for all Towns in New York State.

What do the revenue codes mean?

In the beginning of the budget there is listing of the revenue codes. Many of the revenues can be found in each fund. For example: Interest .02401 is found in every fund. Some revenues are fund or org specific. For example: Sewer Services - Other Gov't .02374 is only found in the sewer fund.

What do the expenditure codes mean?

In the beginning of the budget there is a listing of the expenditure codes. The first digit of the code identifies the type of expenditure. For example, all codes starting with a "1" are payroll codes. Codes starting with a "2" are fixed asset codes.
