

## Presentation of Town Board Proclamations

On October 29, I sponsored a resolution to designate November 11 as Polish Independence Day in Amherst. This resolution was cosponsored by the entire Amherst Town Board and was approved unanimously. Copies of the resolution were then prepared and signed by the entire Board for presentation to the Polish American Congress, Western New York Division by reason of their sponsorship of the centennial gala last month, and to the Permanent Chair of Polish Culture at Canisius College by reason of its support for the Mass and celebration at Assumption Church.
