

Motor Equipment Operator – Engineering Department

There is presently one position in the Engineering Department – Sewer Maintenance Division for Motor Equipment Operator.

This position entails the cleaning and maintenance of the Town of Amherst Sanitary Sewer System. Duties include operation of sewer cleaning equipment, hauling materials for sewer repair projects and routine maintenance of sanitary sewers. Thorough knowledge of the operation of a variety of self-propelled maintenance equipment, self-motivation, ability to work independently or as part of a team, ability to communicate effectively, both orally and in writing and the ability to operate assigned machines in safe and effective manner is required.

Minimum qualifications include one year of work experience in the operation of self-propelled maintenance equipment and the possession of a NYS Commercial Driver's License (CDL). Applicants must fully comply with the residency requirement of the Town of Amherst.

Rate of pay begins at \$16.48 per hour with twelve annual increments to a current top step of \$25.45 per hour.

Applications can be obtained from the Town of Amherst Human Resources Department or downloaded from the Town website at www.amherst.ny.us. Applications should be submitted by Friday, March 22, 2019. Minority applicants are encouraged to apply. Send to Robert P. McCarthy, Director of Human Resources, Town of Amherst, 5583 Main Street, Williamsville, NY 14221 EOE,M/F/V/D.
