

Environmental Health and Safety Coordinator – Engineering Department

The Town of Amherst is currently accepting applications for an Environmental Health and Safety Coordinator for the Engineering Department. Duties will include EHS program development and implementation for various department functions. Thorough knowledge of EHS regulations, ability to work independently, communicate effectively both orally and in writing, show initiative and resourcefulness. Must have a valid NYS Driver's License and must fully comply with the residency requirement of the Town of Amherst. Successful completion of a Civil Service Examination will be required at a later date. Applications can be obtained from the Town of Amherst Human Resources Department or downloaded from the Town website at www.amherst.ny.us. Applications should be submitted by November 3, 2017. Excellent benefits package. Minority applicants are encouraged to apply. Send to Robert P. McCarthy, Director of HR, Town of Amherst, 5583 Main Street, Williamsville, NY 14221 EOE, M/F/V/D.
