6th Annual Painted Traffic Boxes Contest Announced by the Town of Amherst (NY) Arts & Culture in Public Places Board

The Town of Amherst Arts & Culture in Public Places Board (ACPPB) proudly announces its **2025 Painted Traffic Boxes Contest**. All artists interested in making their mark in the Town of Amherst should apply! Winning artists will be selected to paint their design on one of eight traffic boxes in Amherst later this year. Wouldn't it be great to have an intersection identified by your painted traffic box design? The theme for the contest is *Amherst is Arts and Culture*.

Additional information for artists interested in participating is available by typing "traffic box" on the Town of Amherst's website (www.amherst.ny.us) then clicking the "2025 Painted Traffic Boxes Contest" button. **The deadline for design submissions is Sunday, April 6, 2025.** The ACPPB will select the winning design submissions shortly thereafter.

In the last six years, 33 boxes have been hand painted. To view them, check out the ACPPB's Town of Amherst website page at:
