

Accessible Parking Signage

In accordance with the New York State Building Code, Signs are required for accessible parking spaces and the adjacent access aisles as follows:

§1106.4 Signage. Each accessible parking space shall be provided with signage displaying the international symbol of accessibility. Each access aisle shall be provided with signage reading "No Parking Anytime." Signs shall be permanently installed at a clear height of between 60 inches (1525 mm) and 84 inches (2185 mm) above grade and shall not interfere with an accessible route from an access aisle.

For each accessible parking space.
